Subject: Public records request regarding confidential informants

Attorney General Donovan,

Pursuant to Vermont's Public Records Act, 1 V.S.A. 315-320, I hereby request photocopies or electronic copies of the following records:

All policies, guidelines, training materials or studies your agency has on the use of confidential informants.

I am addressing this request to you in the belief that you are the custodian of such documents. If you are not, I request that you forward my request to the proper custodian of such documents and inform me of who that person is.

I hereby agree to pay reasonable and customary costs for these photocopies upon delivery. If the law does not allow me to have access to some of these records, please inform me within two business days, as provided by law, and inform me of the specific exemption that applies to each record or portion of a record being withheld. If an otherwise public record has a portion that is exempt from disclosure, I request that you block out the exempt portion and release a copy of the rest of the document together with a notation of the specific exemption that applies to the portion withheld.

If some or all of my request is denied, please tell me the title and name of the person responsible for the denial and, as the law requires, please inform me of the appeal procedures available to me and the name of the person to whom appeal may be made.

If you have questions about this request, please call me at 774-3060.

Thank you for your help.
